

G.1

Diagram G.1 shows a side view of a vehicle body assembly. The assembly includes a rear window (2) with a frame (2a) and a rear door (1). The door is hinged at the top (3) and bottom (4). A hinge pin (5) is shown at the top hinge, with a pin cap (5a) and a pin nut (16). A hinge pin (6) is shown at the bottom hinge, with a pin cap (7) and a pin nut (15). A hinge pin (18) is shown at the bottom hinge, with a pin cap (19) and a pin nut (15). The door is shown in an open position, indicated by a curved arrow (AR1) and a dashed line (1). The door is labeled OCB.
